**Background**

You have applied for a residence permit for university studies. You have among others filed a copy of the passport, security and insurance certificates and a letter of acceptance from Jönköping.

**Regulations, etc., that decision is based on**

A temporary residence permit may be granted to an alien who wishes to reside in this country for study. This under Chapter 5. 10 § foreigner (2005: 716).

A foreigner who intends to study in Sweden and have been admitted to the university this will be granted a residence permit for study if he or she

1 can support themselves during their studies and pay their return trip through their own funds, scholarships or other similar way, two have comprehensive sickness insurance cover in Sweden and 3 does not constitute a threat to public policy, public security or public health.

This is shown in Chapter 4. 5 § Aliens Ordinance (2006: 97). Of the second paragraph of shows that residence permit under the first paragraph is granted for at least a year or shorter studies relate.

If the studies last longer than one year gives Swedish Migration Board as practice residency at most for one year, provided that the conditions in Chapter 4. 5 § first paragraph alien regulation are fulfilled.

**Migration Board's assessment**

You have shown that you are admitted to full-time studies at a university in Sweden and that you can support yourself during the period that you have applied for a residence permit. Migration Board considers that you have fulfilled the requirement of comprehensive health insurance in Sweden. There is no reason to doubt that you intend to pursue studies in Sweden. It has not been reason to deny you residence permit for reasons of public policy, public security or public health.

Immigration Service grants you, therefore, a temporary residence permit for university studies with the support of chapter 5. 10 § alien Act and Chapter 4. 5 § alien regulation.

**Disclosures**

You do not need a work permit to work in Sweden because you have received a residence permit for university studies in unity with Chapter 4. 5 § alien regulation. The exemption from the work permit requirement applies to conditions of residence. If you have had a residence permit for university studies for at least six months to apply for an extension of the validity period, you are covered by the exemption until the permit issue has been resolved, or any decision of expulsion has been

become final. It is clear from Chapter 5. 2 § first paragraph 6 alien regulation.

This authorization is valid only for a temporary stay in Sweden. This means that the state can not be the basis for permanent residence in Sweden.

You should submit an application for extension of residence before the previous residence permit expires.

As proof of your residence, you will receive a residence permit card (UT card). If you have not left fingerprints and photographed in the case which this decision applies, you must do it before your UT card can be manufactured.
